

# INTEREST FINDER 2011 – 2012

## What Sacraments Are You Interested In?

Please let us at the St. Agnes, St. Paul of the Cross & St. Rose Faith Formation Office know how we can assist you now or at some future time during the coming year. The following list includes some ideas or areas we may help you with. Feel free to request others you may think of. Please send this form to: **Faith Formation Office, 108 Prospect Street, Avon, NY 14414**

Sacraments are sacred, visible signs of God's presence, which manifest the faith of the church and through which God's gift of grace is offered. By receiving the Sacraments people freely choose to accept God and respond to God in faith. Sacraments mark the way along our grace-filled faith journey. Let us celebrate this on-going faith journey. Children are considered ready for sacramental preparation if they have reached the age of reason (around 7 years old) and the parents think they are ready, based on the *specific guidelines* (call Mike Drexler at 226-3232, if you have any questions). By completing and returning this form we will send you the specific guidelines on readiness determination, information about preparation for that Sacrament, calendar dates for preparation and how to register for sacramental preparation. This form is an Interest Finder and **NOT** a registration form for the sacrament.
